Gold	JF900 OR

Technical Specification

Product Fragrance Diffuser
Article JF900
Material Solid brass

Dimensions
Body diameter 60 mm
Height 126 mm, excluding the neck
Neck outside diameter 30 mm

Care and Maintenance

Cleaning
Clean the surface with a soft cloth and lukewarm water. Use a mild, neutral soap when necessary, then dry with a soft cloth. Avoid acidic, alkaline or abrasive cleaners.

Living Brass Finishes
Brass naturally develops a patina over time. Polished Brass may be maintained with a suitable brass polish. Do not polish Aged Brass or Burnished Brass.

Plated Finishes
Clean gently using the method above to preserve the finish and its lustre.
